## ライティングメソッド Legacy

Lesson	Theme	問題文
Lesson 1	Learning / Languages	Do you think local dialects and accents should be preserved? Give two specific reasons to support your opinion. Write your answer in English in about 100 words. (信州大学・改)
Lesson 2	Psychology	Read the following and write an essay in English in about 100 words. A recent study has suggested that Japanese people are less happy than the citizens of other developed countries. Write about (1) possible causes of unhappiness in Japan, and (2) one or two specific measures you would take to increase both your own happiness and the happiness of society in Japan. (京都府立医科大学・改)
Lesson 3	Medical treatment / Health	In the past, doctors usually did not reveal bad news about a patient's health directly to the patient; they usually told the family members. However, in recent years, it has become more common for doctors to tell bad news directly to patients. Which do you think is the better way? Answer in English in about 100 words. Start by stating your opinion. Give two reasons for your opinion. (秋田大学・改)
Lesson 4	Cultural differences	The number of immigrants to Japan is likely to increase in the coming decades. Introduce and explain either (a) the benefits, (b) the drawbacks, or (c) both the benefits and the drawbacks of living in a multicultural society. Compose a well-structured paragraph, supported by examples, using about 100 English words. (九州大学)
Lesson 5	Information society	Read the topic below and write your answer in English in about 150 words. Business advertising has been expanding from old forms of media (TV, radio, print*) to new forms of media (online/social networking services or SNS). Why do you think the new forms of media are more popular now? *print media-such as newspapers or magazines (名古屋市立大学・改)
Lesson 6	Society construction	How do you think male and female roles have changed since your parents' generation? Explain your opinion in about 150 words. (神戸女学院大学)
Lesson 7	Economics	下記の意見に対して、賛成か、反対か、あなたの立場を明らかにし、その理由とともに150語程度の英語で書きなさい。(高知大学・改) "Government should give incentives* for people to buy local products." (注) incentive = something that encourages a person to do something
Lesson 8	Environmental issues	次の問いに200語程度の英文で答えなさい。 Many people hold the belief that human activities are responsible for climate change. However, there are people on the other side who believe that climate change is natural. Please write about which side you agree with and why you think that way. (熊本県立大学・改)
Lesson 9	Technology	Do you think the advantages of the use of tablet computers instead of paper textbooks outweigh the disadvantages? Write your opinion in about 200 words while giving both advantages and disadvantages of using tablet computers in educational settings. (高知工科大学・改)
Lesson 10	SDGs	Read the instructions and write a well-organized answer in English. Virtual reality (VR)* refers to a high-quality simulation of reality created by a computer. Probably the most famous use for VR so far is gaming. But VR has also been used to improve society in various fields such as education, medicine, and engineering. Describe a single specific way that virtual reality can be used to improve society. Explain your idea in detail in about 200 English words. (九州大学)
